

# EL SOL FOUNDATION

2018 Spring Celebration

February 15, 2018

Dear XXX,

**It has been an amazing year for El Sol Science and Arts Academy in downtown Santa Ana!** Providing a transformational education to nearly 1,000 students, El Sol gives traditionally underserved kids the education they deserve and a roadmap to academic success. A key to their progress comes from community leaders like you who are passionate about improving educational opportunities for these high-need students.

**We hope you will join us on Saturday, May 19, 2018 for our Annual Spring Celebration!** Come witness where the magic happens every day at El Sol Academy. Enjoy the children's Folklorico dance performances, hear from our talented music groups, and taste a delicious Mexican dinner and margaritas! This will truly be a meaningful night under the stars.

Your support of El Sol's Celebration provides critical funds for some of the programs that make El Sol extraordinary. This includes one of the school's hallmarks - **100% funding for its important preschool**, making it cost-free to families. Event proceeds also benefit vital enrichment activities and new initiatives such as our **STEAM Lab** and **Scholarship** programs.

To complement and enhance its already existing Science Technology Engineering Arts Mathematics (STEAM) program, **we plan to open a new STEAM Lab** that will inspire creativity, encourage students to go to college and pursue careers in the high tech sector. We also are **launching a Scholarship Program** for El Sol graduates, to assist students from very low-income families who perform well in high school to attend the college or university of their choice.

To learn more about El Sol, please go to [elsolfoundation.org](http://elsolfoundation.org). For sponsorship information, please contact Teddie Ray at [teddielray@hotmail.com](mailto:teddielray@hotmail.com). **Everyone considering sponsorship or underwriting of the 2018 Celebration is invited to attend our Patron Party in early March.** Please let Teddie know of your interest to receive an invitation.

We invite you to help us celebrate the success of this award-winning charter school, a national model of academic excellence. The return on your investment in El Sol is tangible, measurable, and visible. **Please join us in supporting this exceptional school by becoming a sponsor of the 2018 Spring Celebration.**

Best regards,

Monique Daviss
